NOTES ABOUT TOWN.

Mrs. Thomas McGowan is visiting in
Painesville, Ohio.

Samuel Carl is seriously ill at Prairie
du Sac, Wisconsin.

Miss Josie Earl is now stopping at
New Milford, Pa.

Ground has been broken for the
Glenridge Club House.

E. F. Marsh and family go to Ocean
 Grove today.

Ural T. Hayes and family, of Mid-
dletown, N. Y., are now in town.

Another sidewalk in the Centre seeks
the level of the street. "Only a few more
feet."

This afternoon the Watessing Club
will play with the Jersey Blues at Jersey
City for a wager of \$75.

Essex Paper Mill has been shut down
for a short time in order to erect a new
boiler, after which it will resume opera-
tion.

On Wednesday next the German
Presbyterian Church will give an excu-
sion to Long Island, via the steamer Rich-
ardson and Stockton.

Thomas P. Poe, of Spruce Street,
has gone to Saranac Lake, Adirondack
Mountains, where he will remain for
about a month.

Joseph A. Peloubet had a night
blossoming ceremony on exhibition at J. P.
Sheriff's Pharmacy on Thursday night.
The plant had three beautiful flowers.

An infant son of James Crisp was
badly burned on Monday morning by
pulling a pail of hot water over upon him
which was standing on the table.

Joseph Folsom reached home last
Friday night from Fargo, Dak. He is
well pleased with his western experience
and will probably return there in the
spring.

Mrs. Ballantine presided at the or-
gan in the First Presbyterian Church
last Sunday. It is needless to add that
the music was a most acceptable element
of the service.

David and George Oakes left home
for Lake Hopatcong on Tuesday morning.
They will make the trip by canoe over
the Morris Canal. Mr. Thomas Oakes
joined them at the lake.

Dr. and Mrs. W. Hugh Pierson last
week visited their son John at Camp
Bloomfield, Lake Hopatcong. "Thought it
was a little rough there for the boys but
guess they would get through all right."

Mrs. Theodore Harvey's night bloom-
ing ceremony flowered on Thursday night
for the fifth time in three months, these
were six flowers fully developed making
in all twelve which have blossomed since
June.

On Bush, aged 17 years, an em-
ployee of P. Hayden's brass foundry, was
badly injured on Friday last, his hand be-
ing drawn under a belt. He was drawn
over a pulley before he could extricate
his hand.

On Monday morning one of the
large wooden trusses which support the
cable at the incline plane fell down and
one of the heavy timbers fell across the
truck in front of the descending car. The
prompt action of the brakeman prevented
a serious accident.

Does the Truck Company own a
saw? If they do not a man owning
one should be hired to use it alongside of
their horse. Or perhaps their neighbor
text ought to and will do the job. In
either case the appearance of Glenwood
avenue would be greatly improved.

The Caldwell Club crossed bats
with the Watessing on Wednesday af-
ternoon at Watessing. The game was
closed on the sixth innings with a score
of 7 to 3 in favor of the home club. On
the opening of the seventh innings the
club of the Caldwell club was crippled.

The trustees of the First Pres-
byterian Church contemplate closing the street
on the side of the Lecture Room Building
and together with the adjacent lots, to
grade and put into lawn—greatly improv-
ing the already beautiful grounds sur-
rounding the church.

The picnic given to the Sunday
School of the German Church on Wed-
nesday was a very pleasant affair. Weav-
er's Grove was well filled and the little
ones greatly enjoyed the various amuse-
ments. Gotfried Voss, a teacher in the
school met with a painful accident by fall-
ing from a horizontal bar.

Mr. Lewis Cockeair was taken sud-
denly and seriously ill Monday night
from overheating and sudden cooling
while at work during the extreme hot
weather. Dr. Ward was hastily sum-
moned to alleviate the acute suffering.
Mr. C. is still under the Doctor's care.

On Wednesday and Thursday after-
noon and evening of next week the G. A.
R. posts of Bloomfield, Montclair and
Caldwell will give a Grand Reunion and
Camp Fire at Crane's Woods in Mont-
clair. The following articles will be vot-
ed for. A flag for a G. A. R. Post. A
flag for a Battery in Bloomfield or Mont-
clair and a trumpet for a Fire company.
The organization securing the largest
number of votes will receive these articles.

Some boys were in the Bloomfield
Cemetery last Sunday, diverting them-
selves by racing across the burial plots
and leaping over the hedges. If they
had been arrested and sent to jail for dis-
orderly conduct it would have been no
more than they deserved. The Ceme-
tery is very deficient as to boundary
fences for protection from rowdiness. In
fact, it seems to be "common property"
on Sundays. There should be a high
fence on all sides and no persons ought
to be admitted except at the entrance.

There being no service at Westmin-
ster last Sunday many of the congrega-
tion attended the Old Church. They were
most cordially invited to come again and
bring their absent friends with them.
Why should not the two congregations
unite during the months of July and Au-
gust each year, worshipping first in one
church and then in the other? There are
several good reasons to be given for this
course, the most important being the in-
creased good feeling and fellowship which
would be sure to follow.

Mr. B. Haskell and son Morrie vis-
ited the canoeing party at "Camp Bloom-
field," Decker Island, Lake Hopatcong,
and enjoyed very much the hospitality of
the boys. The visitors were pleased with
the food prepared by them and the primi-
tive manner in which it was served in
their unique dishes. Mr. H. reports
finding the boys in good condition, brown
as berries, perfectly contented, except as
one of them expressed it, with a mourn-
ful countenance, "they had not been visit-
ed by a single rattlesnake." Having been
assured that rattlesnakes inhabited the
island, this was the only thing lacking to
round out their happiness.

Water Motor.

A Backus Water Motor, the first in
use in Bloomfield, has just been applied
to the organ of Mr. Wm. Carl. The
power is supplied from the main of the
East Orange Water Company, the motor,
drive-wheel and other apparatus being
located in the cellar of Mr. Carl's resi-
dence. This motor is admirably adapted
to the purpose of pumping for an organ.
It can be regulated at will by the per-
former, from a quick pump to a sharp
stop, or gradually, as he may prefer. It
is perfectly noiseless and produces an
even and smooth flow of wind and steady
tone. Simple in construction, it requires
very little care to keep it in running
condition. As a sewing machine motor, and
for any other purpose where light power
is required, it is particularly recommend-
ed. Those contemplating the adoption
of this novel appliance to organs or ma-
chinery of any kind can obtain full in-
formation by calling upon John H. Taylor,
practical plumber, with whom the water
contract and connection was made in the
above instance.

Essex H. & L. Co.

The reception given by the Essex Hook
and Ladder Truck Company on Monday
night was a very pleasant affair. The
display of fireworks was the principal
feature of the evening. The word "Es-
sex" was arranged in Chinese lanterns on
the west side of the tower. The fireworks
were sent off from the top of the tower,
the display lasting nearly two hours.
Lincoln Post Drum Corps of Newark re-
ndered several selections from the roof of
the house. Several hundred people were
assembled to witness the display.

NIAGARA FALLS FREE.—Niagara has again
assumed the life and activity of former years.
Since the grounds have been opened to the pub-
lic many Newark parties have made the trip and
say they were not subjected to the former
charges made by attendants. A Special Day
Excursion train from Newark via the Erie Rail-
way leaves at 5.50 P. M. and arrives at Niagara
6.30 the next morning. On this fast train the
Excursion Tickets are only \$7.00 and are good
for five days to return on any train. These
Tickets are only on sale at the Company's City
office, 180 Market street, Newark.

American Ships.

To The Citizen:
A great many people contend that if
we had free ships, or in other words
could buy ships as cheaply as the Eng-
lish, a great merchant marine under the
American flag would at once spring into
existence. Below is a table, taken from
the *Economist*, showing the part and
market value of some of the principal
British steamship companies:

NAME	PAID IN	PAID UP	PAID UP
10 African Steamship	10	10	10
10 Amazon Steam Navigation	10	10	10
10 Atlantic Mail Steamship	10	10	10
10 Canadian Steam Navigation	10	10	10

Is the Yankee capitalist likely to put
his money into enterprises which pay
only "Irish" dividends? And is the
Yankee merchant going to carry his own
goods when he can find some one else
willing to carry them at less than cost?

Reply to "Query."

To The Citizen:
We confess to not a little surprise that in
this eighty-sixth year of the Nineteenth
Century, when the Sabbath Schools and ministers
of the Gospel boast of a knowledge of the
Scriptures superior to any ever before acquired,
any one, living in this town of Bloomfield and
State of New Jersey should ask: "What are
we to do?" upon the Sabbath day? Can it be
possible that our pulpits and Sabbath Schools
have given so little instruction on this impor-
tant subject that people are actually in ignorance
in regard to it? Or have the people become
"indifferent" to the teachings of the Scriptures?
We hope your correspondent is "indifferent"
to men's opinions, but not to the "only in-
fallible rule of faith and practice." "Query's"
question ought to suggest its own answer—
"Search the Scriptures." And here we will
venture the suggestion that it might be well,
now that some of the church services are cut
short, far such as are not otherwise engaged to
meet together in some convenient place for the
purpose of reading and comparing the Scrip-
tures. Surely it would be time well spent, that
could never be regretted.

But it is not our purpose to lay down for
others any rule of our own making. We would
rather refer those who are interested in the
subject to the following passages of Scripture,
viz.: Ex. 31: 12, 17. Lev. 19: 30. Luke 4:
16, 31. Ezekiel 46: 3. Acts 16: 13, 17. 1
